

Smoke-free cars for healthy Arkansas kids.

Young lungs are delicate and smoke can hinder their development. That's why it's now illegal to smoke in a vehicle with a child under the age of 14 present. Drivers can be pulled over and ticketed if seen smoking with a child. For more information on Act 811 or help quitting, visit stampoutsmoking.com. Let's keep Arkansas cars smoke-free for healthy kids.
